Hi Ned
In Jebel Um Hashibba
Which was the site of both WarTime command post of the Southern Command (Dvela (fig fruit)where the dramas of 73 took place) and Bavel (Babilion) which was the central Sigint base of 8200 facing Egypt.
The reason is that's the highest mountain looking over from Sinay to Egypt over the Canal (south sector). Northern sector is a plateau on both sides of the canal.
Best
